OCTOBER - DECEMBER 2018 | NEWSLETTER OF PEEVEES PUBLIC SCHOOL

ONE MORE GOLDEN FEATHER

School's under 17 football champions have adorned one more golden feather in the much feathered hat by lifting the 59th National Inter-school football tournament Subroto Cup Trophy at Gwalior. This winning frenzy took its flight with the quarter finals on 18th October where our under-17 heroes smashed 11 goals against no goal against

Step By Step School from Noida. On the same day evening, our champions defeated the Vishwas Nav Sharda Public School boys in Semi-finals with a score of 5-0. Finally on 19th October they won in

the decisive match against Shahsatnam Ji School from Rajasthan with a 2-0 score. Our proud winning team was awarded 60,000 rupees cash prize along with the sparkling golden trophy.

Meet The Best

For the excellence and experience that the name Peevees is known for, has reckoned many times over the years. This year for the outstanding performance and contribution in Scholastic and Co-Scholastic Areas we got International School Award (ISA), Dubai - Best Residential School of the Year Award – 2018. The School was awarded for being the Best Residential School in Kerala, by 'Prime Time Research Media, New Delhi' at the 6th Global Education Excellence Award in New Delhi. Education World India School Rankings (EWISR), a unique grading unit that evaluate and assess the country's 1000 better known primary and secondary schools, awarded Education World Indian School Ranking Awards - 2018-19 for the Best Co-Education Boarding School in Kerala and ranked 19th among the top class elite Boarding Schools in India.

Taekwon-Do

The Taekwon- Do champions of the school made their historical performance in 15th South & West India Invitational ITF Taekwon-Do Championship held in Kozhikode on Oct 20th and 21st 2018 by bagging medals in various levels. Among the eight states which participated in the event Kerala stood as the first- runner up, for which the contribution of Peeveeites is worth mentioning.

Hindi he hum

'Hindi Diwas' assembly began with the song "Humko mann ki Shakti dena" followed by a Hindi poem recitation by Haya of grade IV and introduction of the novel 'Sevasadan' by Mridula Shankar of grade V. Obviously it was a programme of Infotainment.

JAGO GRAHAK JAGO!

Dealing with money, commercial aspects of social interaction and production for consumptions are some of immensely integral part of our daily life.

Hence to unleash the entrepreneur in every Peeveeite, the brand new Peevees Currency was launched on 22nd September 2018. Principal Mr. Radhakrishnan released the green currency designed by teacher Mr. Nimsheer, and students Mohammed Ameenudheen and Shamil Abubakar. The Peevees Cafeteria Las Tapas, run by the commerce students of Peevees will utilize the newly launched currency for weekend transactions among the students. This will ultimately enable the students to understand how the money floats and circulates in a commercial scenario.

Formula for Life

Department of Mathematics conducted Special Math Assembly on 27th September 2018 in Amphitheatre. As a step towards inculcating logical thinking among the younger generation, some mathematical facts about interesting numbers were discussed. Children rendered informative speeches about the mathematic geniuses from India such as Arya Bhatta and Srinivasa Ramanujan. The inspiring story about these world renowned mathematicians left every one amazed. On the other hand, some interesting aspects of Pythagoras and his theories too were presented by the students.

INTER-HOUSE COMPETITIONS

Education goes beyond books into all walks of life, including art and creativity. Hence, through our annual CCA Programs we recognize, appreciate and reward talent. The students were encouraged to express themselves through various onstage and off-stage events. The winners secured their certificates under various categories and performances.

Enterprising Lessons from the Achiever

A teaching when comes from the person who has been there and done that is more impactful is something greater than preaching. This was proved vividly when 27th October grade XI and XII students from science and commerce stream had an opportunity to hear it from Prabhu Kishore, Managing Director of Varun Motors. As, our chief guest is a living example of a fair attitude of risk-taking and hard-work, he shared his experiences as an entrepreneur and motivated the students to work hard and be ready for challenges. His personality and experience clearly gave a message that for growth, we have to be a little adventurous and come out of our comfort zones. Ultimately this session left our future entrepreneurs with clear footprints to follow.

LONG LIVE KERALA

The 62nd Kerala Piravi Day was observed on 1st November 2018. The assembly began with a poem recitation by the teacher Mrs. Padmapriya. This poem by Vallathol Narayanan Menon sings laurel of the grandeur of Kerala. Later exclusive Malayalam Pledge by celebrated Malayalam writer M.T.Vasudevan echoed through the amphitheatre. There were songs, local folk dance and a moving mono act too. Parents were excited to see the tiny toddlers perform the traditional 'tiruvathira' dance as our Kindelandians were clad in the off-white cotton 'pattu pavada'. However, a special ona sadya was served for the lunch.

SETTING GOALS Higher and Higher...

It was once again a proud moment for the School as our under-19 football team lifted the CBSE CLUSTER X Football championship trophy by defeating CMI Public School Chalakkudy by a score of 2-0. Throughout the tournament Peevees under-19 players left everyone

awe-struck by carrying forward their winning-spree reminding everyone of the similar tradition set by our under-17 team. Our first victory was against Holy Grace Academy with a score of 4-0. This was followed by another win against Lemer Public School (Thriprayar) at

a score of 3-0. By beating Dayapuram Residential School (Kozhikode) at 3-1 our champions entered semifinals where they won by a score of 5-4 against Ansar English School (Perumbilavu).

The Prince of the Waters

Our commendably skilled swimming coach Mr. Subhash K. made our school proud with his exceptional achievement at 5th National Masters Swimming Championship 2018 organized at Kurnool, Andhra Pradesh during 27th and 28th October 2018. Mr Subhash clinched Gold in 4 Categories-Water Polo, 50mtr. Butterfly, 4x5mtr. midlay relay and 4x5 mtr. freestyle. However he could secure second position in 50 mtr Breast Stroke with 5 Medals.

Swimming to Success

On 27th October 2018 our Peeveites swimming team secured second runner up position in Malappuram Sahodaya Aquatic Championship Splash held at Silver Mount International School Perinthalmanna. Our boys' team grabbed 9 Gold, 10 Silver and 5 Bronze. Our commendably skilled swimming coach Mr. Subhash K. took the school to the zenith with

his exceptional achievement at 5th National Masters Swimming Championship 2018 organized at Kurnool, Andhra Pradesh during 27th and 28th October 2018 with Gold in 4 Categories-Water Polo, 50mtr. Butterfly, 4x5mtr. midlay relay and 4x5 mtr. freestyle. However he could secure second position in 50 mtr Breast Stroke with 5 Medals.

CBSE Cluster X Football (UNDER-17) CHAMPIONSHIP

The champions of the school had eyes only at their goals, literally and practically. On 10th October, they rightfully lifted the trophy by defeating Gurukulam Public School (Venginissery) with 6-0 win. Furthermore, they went on setting the goals higher as they won the semifinals against CSM Central School (Thalikulam) with a score of 6-0. Similarly, under the captainship and vice captainship of Christopher Rajkumar and Shafas K.F respectively, taking over the finals too proved to be a cakewalk for the champions of Peevees Public School. The team has played in the national level and got qualified to the pre-quarters.

WHY SHOULD BOYS HAVE ALL THE FUN?

Girls of Peevees Public School became champions of Malappuram Sahodaya Under 19 Throw ball Championship after beating Peevees Model School in the finals held at St. Francis School Vaniyambalam. Diya of grade VII won the best player award and the school acknowledged the efforts of the coach Mrs. Beena.

On The Same Table

The school hosted CBSE Cluster 'X' Table Tennis Championship 2018. Around 135 students from various districts participated across under14, under17 and under19 categories. The Inauguration ceremony began with Flag hoisting by the chief guest Prof. Saifudheen. C (HOD. PE Dept. PSMO College Thirurangadi) who raised the CBSE Sports and Games flag. Mr. P. V. Abdul Wahab (Chairman Peevees Public School, MP-Rajyasabha) hoisted the School Flag. Oath was taken by the games captain. The Chairman addressed the assembly and spoke about sports as a medium to bring life back to normal after the natural disaster. Similarly

thoughts were echoed by the chief guest as he emphasized on the significance of athletic activities in daily life. Hence the students were encouraged to take up challenges and utilize such opportunities to the maximum. The overall champion's trophy was lifted by Devamatha CMI Public School (Thrissur). The under 19 Boys Championship was lifted by Chinmaya Vidyalaya (Kannur) and JDT Islam New Hope English school (Kozhikode) grabbed under17 and under 14 championship trophies. The mega event was concluded with equally overwhelming closing ceremony as it started. Municipal Chairperson Mrs. Padmini Gopinath enthralled the atmosphere in the amphitheater with her witty sense of humour and encouraged the gen-X to strive and go higher.

Drenched in blue

26th September 2018 Peevees Kinderland was a persona of what Royal blue would be. The children got acquainted with the colour blue through water-cycle project, blue bell flower and were encouraged to perform craft activities. There were 'blue them' dance and rhymes too along with popsicles and under-water decorations that kept the children amused.

The Purple Parade at Peevees

Purple day was celebrated on the 30th of October where children brought fruits, vegetables and objects of purple colour and were encouraged to speak about the colour and the objects they brought. Through craft activities like vegetable dabbing, thumb impression grapes and flowers and worksheets for painting and colouring activities, children were reinforced to connect with the colour. By sorting pebble activity the children could differentiate among various colours too. Not only this, the children observed a science experiment to see how colours merge and transform into other colours.

Orange day was celebrated on 29th November 2018 at Peevees Kinderland. Our creative teachers made them aware of this colour of power, dominance, aggression and zeal through activities like colouring the carrots, colour sorting. The children spoke about the colour orange and also saw the colour mixing experiment. They witnessed volcanic eruptions and interacted with our intern Mr. Rowash from South Africa who amused the children with some stimulating activities like sensing the objects blind-folded.

Orange Day

I am there for you...

On 8th October 2019 the toddlers of Kinderland had an experience of getting into the skin of animals as they had a dramatic play 'Vet-Clinic'. The teachers tried the optimum to let the children understand all aspects of life and environment. With this purpose, the children are introduced with different themes each month. The theme of October was 'Animal Kingdom' hence letting the children know why a vet is inevitable. The children enacted various animals getting treated for their illness by the vet.

Save Earth

Ozone day was observed on 17th September, to make the students aware of the threats caused to the earth. The department of Science, with art and craft teacher Mr. Subin presented the history and the present scenario effectively. Children from primary section rendered thoughtful speeches with placards to teach about the intensity of damage that we have already done to the protective Ozone layers. The Principal Mr. Radhakrishnan C spoke about the natural calamity in the state and how the after-effects are still making the people suffer with scarcity of water.

Chit Chat

Prof Bernard Ryder (Anglia Ruskin University) and Ms Marget Ryder made a brief visit to our campus on 11th September 2018. The duo had a fruitful interactive session with our students on career opportunities and various courses offered by Anglia Ruskin University, UK. The duo left the school gratified and promising to come back again.

ONE DIRECTION ONE GOAL

Out-bound Training for Teachers and Administrative staff

Out-bound training for teachers was conducted at Peevees Mirage Nilambur on 13th and 14th of October to enlighten the teachers and administrative staff of the school. Mr. Justin Babu the resource person from Bengaluru entertained, motivated, enlightened and guided the participants towards a better and positive work culture. The element of accountability, selflessness and team-spirit were encouraged and focused.

Collecting Memories for Tomorrow

From Kindergarten to grade XII students visited and enjoyed across various places along with their teachers. On the 17th of October Peevees Kinderlandians were taken to Teak museum. However the same day, our grade 1 and 2 children were accompanied to the amusement park Flora Fantasia at Valanchery, Kerala. Students from grades 3, 4 and 5 visited Lulu International Shopping mall at Kochi on 17th October. They enjoyed their journey in metro train from Aluva to Edapally. . The same mall was visited by our Grade 6, 7 and 8 students too. The seniors took 3 days and 2 nights to weave memories of fun when they explored Mysore and Bengaluru during 17th - 21st October. They visited St. Philomina Church, Zoo, Brindavan Gardens, Wonderla Bangalore, mall and Snow world. The most exciting part of the trip for the students was the DJ night which echoed in their hearts for long.
