Industrial Visit: Firsthand Experience

Industrial visits and field trips are essential components of a good curriculum to introduce the students to the real world of how industries and businesses are managed and run. Our students of Grade XII got the opportunity to visit V Guard Cables, Walayar.

Visiting V Guard was a thrilling experience for Grade XII Commerce students. It taught them the implementation of principles of management at V Guard. They could also learn how discipline, dedication and planning make an Industry successful.

Take heed - Vicious circle of Social Media

Peevees Public School organized a two hours workshop on 2nd October 2019 on the topic "Cyber Crime and adverse effects of Social Media and Drugs", to create an awareness amongst the pupils of the 21st century, about the hazards of the virtual world. Mr. Aneesh Chacko, a veteran trainer from the department of police handled the session. His intellectual knowledge was well received by the attentive audience, as various aspects of the subjects were unfolded. The focus of the session was to create awareness about the usage of networking devices, which have become a part and parcel of everyone's life and also made them conscious about the cyber world and risks it poses, when not handled properly . The entire session was thoroughly planned and carried out; it covered a wide range of issues from morphing to online predators. The Principal, Mrs Deepa K.C felicitated Mr. Aneesh Chacko with a memento as a token of appreciation for his flawless session.
